HAND & STONE MASSAGE & FACIAL SPA

THE OPPORTUNITY

A new offering in West Michigan, Hand and Stone Massage & Facial Spa had an aggressive schedule, coordination with franchise design and procurement, and working with a local landlords' specifications.

TIMELINE: 70 DAYS (EARLY NOVEMBER 2019 TO LATE JANUARY 2020)

SCOPE: The complete fit out of a landlord space to adhere to the franchise design and finishes. Abundant plumbing due to the treatment room quantities and a beautiful and high-end lobby and retail area.

MAKING IT HAPPEN

Boots on the ground coordination, quality assurance, and working through the holidays were some highlights from the project. Honor's carpenters installed a stunning masonry wall and casework front in the lobby to match the marketing and branding.

WHAT THE CLIENT HAD TO SAY

"Honor was attentive to our needs, stayed on schedule, and made sure we were completely satisfied with the outcome before moving on from the project. The quality of the work has held up and we receive many compliments on the beauty of the spa. We are very satisfied with the work Honor did for us!"
